As an elected official we are asked to make many choices about the future for the residents we represent. Some are easy and others don't always yield an outcome right away and nor will we always know if made the right choice. When it comes to endorsing fellow candidates, this year was particularly difficult. This was due to the number of highly qualified candidates in so many races. But when it comes to the judicial candidates for Circuit Judge, one person has stood out for me, Judge David Garcia. I met Judge Garcia shortly after he was appointed as an Associate Judge, at a local community event. Prior to being appointed he worked as an attorney for 18+ years. He is an experienced felony and misdemeanor defense attorney. In addition, his record of community volunteer service is long and I am confident that he will use his life experience to the advantage of the citizens of Will County. Diversity and experience in the judicial branch is very important to getting fair decisions, Judge Garcia will be able to hit the ground running as our new Circuit Court Judge.

I am officially endorsing Judge David Garcia for the Will County Circuit Court race.
